Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 23 November 2026
Australia – Victoria

No. 529(T) – 2026

Local Port of Western Port

San Remo
San Remo Jetty - Maintenance Dredging

Date: **Monday 23rd November until further notice**

Details: Mariners are advised of maintenance dredging works around the inner floating jetty at San Remo at approximate location 38˚ 31.209'S, 145˚ 21.912'E (WGS84).

The floating jetty may be closed to pedestrians and vessels while machinery is operating around it, or if the pipeline may pose a navigation hazard. The floating jetty will be open at all other times.

Dredging works will be carried out by a cutter suction dredge and are expected to take 4 to 8 days. Dredged material will be deposited on the beach, south of Davis Point.

On-water plant, equipment and potential hazards to navigation arising from the works will be marked as per IALA standards.

Mariners are advised to navigate with caution in the vicinity of the dredging works and be aware that the dredge is restricted in its ability to manoeuvre, and there may be floating or submerged objects such as pipelines.

Charts & Publications Affected: AUS801, AU5TNW01, AU439145

Further Notice: A further Notice will be issued.

If you require any further information, please contact Parks Victoria on 13 1963.
