

Parks Victoria December 2021 Board Meeting Report

The Parks Victoria Board met on Tuesday 14 December 2021 to discuss a range of important issues and opportunities. The highlights of the meeting are outlined below.

Visitor Safety Approach

The Board approved the Visitor Safety Strategic Approach (VSSA) outline that provides a comprehensive strategy and tools for Parks Victoria's management of visitor safety.

2021-22 Cooperative Operating Plan

The Board approved the 2021-22 Cooperative Operating Plan, outlining the summer fire season fire management services to be provided by Parks Victoria supporting DELWP's bushfire prevention obligations.

Environment Land and Water Report Programs Quarterly Report

Updated on the continued development of activities into a comprehensive program approach using a resource-based delivery model.

Five-year Asset Management Strategy

The Board approved Parks Victoria's Five-year Asset Management Strategy, addressing two core requirements of the Victorian Government's Asset Management Accountability Framework (AMAF) compliance, and delivering a coordinated approach to achieve life cycle asset management across the Parks Estate.

Health Safety and Environment Report

The October 2021 Total Recordable Injury Frequency Rate (TRIFR) continues below the annual target, and close to its lowest level in the rolling 12-month reporting cycle.

Yoo-rook Justice Commission

The Board continued discussion on the outcomes and emerging themes arising from initial discussions in the preparation of Parks Victoria's response to the Yoo-rook Justice Commission and noted the next steps.
