

Direction to Operators

Notice issued Tuesday 28 October 2025

Spring Racing Carnival Berthing

Parks Victoria, as the declared waterway manager for the waters of the Maribyrnong River upstream of the port waters of the Port of Melbourne, makes the following directions to operators regarding berthing during the Spring Racing Carnival 2025:

- Operators are directed to use the pick up and or drop off berth at Flemington Landing. Please be mindful of other operators and the general public wishing to use this landing and operate in a timely and respectful manner.
- When berthing, it is requested that vessels double-rope the mooring system or use additional springer lines to reduce the load limits on the current mooring cleats on the pontoons
- Vessels are prohibited from double berthing or permanently occupying the Flemington Landing.
- Each operator is responsible for the safety of their patrons and guests at all times whilst on vessels, pontoons or gangways. It is expected that operators will always have a staff member responsible for patron safety in attendance. You may choose to delegate this responsibility to the skipper or master of the vessel.

BY ORDER OF PARKS VICTORIA

Dated: 28/10/2025

Should you require further information on these directions please contact Edena Critch, Area Chief Ranger, Waterways on 8427 2966.
