Park Update - What's open, what's closed?

26 February 2026

Park Overview

During the summer of 2024/2025, multiple bushfires impacted the central, southern and western areas of the Grampians (Gariwerd) National Park. Since then, many popular visitor areas have re-opened. A few visitor sites remain closed while we work towards completing a staged recovery program. Other closures are in place for upgrade projects. This park update provides an overview of what is currently open and what is closed.

Stay safe and be prepared

The Grampians (Gariwerd) landscape is recovering after bushfires. Visit open visitor areas only and remain on designated tracks. Leave no trace of your visit.

Be mindful of changed landscapes, damaged trees, soft hidden holes and potential flash flooding after heavy rainfall. Always check weather conditions before you set out.
