Grampians National Park may have closures in place from natural events (storms, floods and bushfires), park operations, projects and other circumstances. **Before visiting the park always check for closures on the list below. Please adhere to signs and notifications, and do not enter closed areas.**

## Campgrounds

- **First Wannon Hike-in Campground** is only accessible from the north along the Major Mitchell Walking Track.
- **Stony Creek Group Camping Area** has been relocated 500m to the west of Mt Rosea Carpark on Stony Creek Road.

## Roads and 4WD Tracks

- **Mitchell Road** is closed due to storm damage to a concrete causeway.
- Seasonal roads are now open.

For more information on individual road and 4WD track conditions see the Grampians National Park Road Report on [parks.vic.gov.au](http://parks.vic.gov.au)

## Walking Tracks

- **Grand Canyon:** The steel staircase at the south-eastern exit of the canyon is closed due to an engineering issue. The Grand Canyon remains open as a return walk from Wonderland Carpark. The Pinnacle walk remains open via the canyon bypass walking track.
- **Major Mitchell Plateau Walking Track:** Closed between First Wannon Hiker Camp and Jimmy Creek Campground until further notice due to Grampians Peaks Trail (GPT) works.

First Wannon Hiker Camp remains open and accessible as a return walk from Sheep Hills Carpark, Mt William and/or Kalymna Campground.

- **Stapylton Loop Walk:** The eastern half of the loop is overgrown and indistinct in many places. This section has been closed while a new alignment associated with the GPT is due to open in coming weeks.
- **Longpoint East Hike-in Camping Area track junction to Boroka Lookout walking track:** Closed due to a new GPT track alignment. Please do not use this walking track, which may still appear on old mapping publications.
