

Information

Mt Joan Staircase closed due to dangerous track condition

The section of the Deddick Trail known as the **Mt Joan Staircase** is in a very poor condition and unsafe to drive.

Deddick Trail is closed between Rich Knob Track and Bowen Track for public safety.

Information

Information

Snowy Icon 4WD Route Altered Track Condition

Sections of the Snowy Icon 4WD route, are in poor condition due to storm damage.

The current overall difficulty level for these tracks is **DOUBLE BLACK.**

The Snowy Icon 4WD route will be very difficult in dry weather and should only be attempted by experienced drivers travelling in groups with high clearance, dual range 4WDs carrying recovery equipment.
