Works

Yarra River

Date	Time	Details	River Status	Restriction to navigation
27 October – 13 November 2026	0700 – 1700	Dredging - Burnley Harbour	**Partially closed**	**Yarra River -** Exclusion zone moving along Northern Bank of river opposite Wesley College Rowing Club landing as works progress. Minimum 15m of southern channel available for transit at all times. Downstream traffic has right of way. **Note: Commercial vessels are advised to turn around downstream of Herring Island during this period.** Gazette notice below
13 November – 26 November 2026 (contingency days included, actual period is likely to be shorter)	0700 - 1700	Dredging – Herring Island Meander	**Partially closed**	**Yarra River -** Entire Herring Island Meander closed to navigation during dredging works. Closure will be marked by lit yellow exclusion-zone and string-line buoys at downstream entrance to meander. **Yarra River -** Exclusion zone extending 300 m along the southern bank upstream of Church Street Bridge, with minimum 25m channel available for transit at all times. Downstream traffic has right of way. **Note: The Herring Island meander and the full width of the river will be made available for Melbourne Head Regatta 20-21 November.** Gazette notice below
15 November – 15 December 2026 (contingency days included, actual period is likely to be shorter)	0700 – 1700	Dredging – Main Yarra Trail	**Partially closed**	**Yarra River –** Exclusion zone extending 300m along the northern bank downstream of Cremorne Rail Bridge, with 30m channel available for transit at all times. **Note: The full width of the river will be made available for Head of the Yarra Regatta 28 November.** Gazette notice below
19 October – 15 December 2026	0700 – 1700	Yarra Grove landscaping and bank works	**Partially closed**	Waters of the Yarra River, on the northern bank, approximately 160m upstream of the Wallen Road Bridge, extending 25m upstream and 10m downstream of the work zone, as marked by yellow exclusion-zone buoys. Gazette notice below
13 August – 30 November 2026	07:00 – 16:30	Bolte Bridge pontoon installation and pile works construction – City of Melbourne	**Partially Closed**	**Yarra River –** Exclusion Zone on southern bank of Yarra River, extending up to 50m into the river and running 150m upstream from the Western dripline of the Bolte Bridge.

				Gazette notice below
24 November 2025 – 18 December 2026	All hours	North Wharf seawall and wharf construction works	**Partially closed**	**Yarra River** – Exclusion zone in place along northern bank of river channel. Stay clear of works area. **See appended gazette notice**
28 August – 25 November 2026 **DATES EXTENDED**	All Hours	Temporary pontoon against wharf near Tower 9 development.	**Partially Closed**	**Yarra River –** Area marked by buoys against bank, Tower 9 development.
20 August 2026 – 30 June 2028	07:00 – 17:00	Eastern Freeway SUP Bridge development.	**Partially closed**	**Yarra River *(waters above Dights Falls)* –** Partial closure of the river beginning at the prolongation of Fairlea Rd, Fairfield. Approximately 20m in the centre of the river channel available for transit at all times. Gazette notice below

Victoria Harbour

Date	Time	Details	River Status	Restriction to navigation
13 January 2026 – 15 December 2026	All hours	North Wharf seawall construction works	**Partially closed**	**Victoria Harbour, Yarra River** – Exclusion zone in place on southern side of harbour. No impact on river channel.

Maribyrnong River

Date	Time	Details	River Status	Restriction to navigation
1 December 2026 – 01 March 2027 ***DELAYED – NEW DATES***	06:30 – 17:00	Afton Street Pedestrian Bridge – Stay Cable Replacement	**Partially Closed**	**Maribyrnong River** – 2 stage exclusion zone. Minimum 32m river width available for transit at all times. Vessels must reduce speed to minimise wash when navigating past works.

Please note:

- Shallow Waters - The footprint of the former Central Pier in Victoria Harbour remains closed to all vessels due to shallow water. The area will remain marked by Exclusion Zone buoyage until further notice.
- Footscray Park Floating Landing is closed to berthing and pedestrian access due to flood damage.
- Shallow Waters - Herring Island meander has sediment build up creating shallow waters around the island, please proceed with caution or avoid entering if unfamiliar with area.
- Shallow waters – The central river channel immediately downstream of Charles Grimes Bridge, in the vicinity of Yarra's Edge Marina, has reduced water depth as a result of sediment build up. Minimum depth at low tide may be less than 1.5m. Large vessels should navigate the area with caution and stay to the southern side of the channel where possible.
- Banana Alley timber wharf is closed to all berthing due to deterioration in the structure
- Leonda Landing is permanently closed. A temporary floating pontoon is in place for small (<12m) commercial vessel access only.
- The lower landing of Lynchs Bridge Jetty on the Maribyrnong River is closed to all vessel and pedestrian access until further notice.

*All closed river events will be conditional upon publishing of an Activity Exclusion Zone Notice in the Government Gazette in accordance with section 208(2) of the *Marine Safety Act 2010*. For the purposes of planning and/or operations, river users may assume the river is closed unless otherwise notified, in writing, by Parks Victoria.

Event operates under a Flag System. A flag marshal will be positioned at the starting and finishing points of the course to indicate when vessels can proceed through. See Flag System Procedure at bottom of document.
** Event operates with a Parks Victoria managed transit lane in conjunction with an approved contractor.

All vessels in the area of activities are advised to travel with caution and to follow any directions given by Parks Victoria Officers. River traffic along these sections of river during event times may encounter delays due to congestion and are urged to maintain a courteous manner toward other river users.
For further information, contact Parks Victoria on **13 1963** or visit Parks Victoria website www.parks.vic.gov.au

Marine Safety Act 2010
Section 211(1)(b)
NOTICE CONTROLLING NAVIGATION IN THE VICINITY OF WORKS

Parks Victoria, as the declared waterway manager for the waters of the Yarra River upstream of the port waters of the Port of Melbourne makes the following notice under section 211(1)(b)(i) of the *Marine Safety Act 2010* (Vic) **(the Act)**.

For the purposes of the works activity proposed by Victorian Marine Services Pty Ltd on behalf of Parks Victoria to undertake maintenance dredging in the Yarra River, the navigation and movement of vessels is prohibited from the waters detailed in Table 1 below, excluding vessels involved in the works.

Table 1: Lower Yarra River Maintenance Dredging Works

Dates	Prohibited Waters	River traffic
Tuesday 27 October – Friday 6 November 2026	Waters of the Yarra River: immediately upstream of Burnley Harbour, extending approximately 150m along the Northern bank and 15m into the river. The exclusion zone will be around a pontoon, moving progressively downstream within the area and marked by exclusion Zone buoys with 1-2nm solar flashing lights and a lit special mark on the pontoon itself.	A minimum of 15m will be available for transit on the Southern section of the river at all times. Vessels that usually turn upstream of Herring Island are advised to complete their turn downstream of Herring Island during this period.
Wednesday 4 November – Thursday 26 November 2026	Waters of the Yarra River: Area 1: The Herring Island Meander will be closed at both ends to all traffic. The exclusion zone will be marked by exclusion Zone buoys with 1-2nm solar flashing lights and floating buoy lines in the downstream entrance.	The main channel of the river will remain open for transit.
	Area 2: Waters immediately upstream of the Church St Bridge, extending approximately 300m along the Southern bank and 25m into the river channel. The exclusion zone will be around a pontoon, moving progressively downstream within the area and marked by exclusion Zone buoys with 1-2nm solar flashing lights and a lit special mark on the pontoon itself.	A minimum of 25m will be available for transit on the Northern section of the river at all times
Sunday 15 November – Tuesday 15 December 2026	Waters of the Yarra River: Waters immediately upstream of the Hoddle Bridge, extending approximately 300m along the Northern bank and 30m into the river channel.	A minimum of 30m will be available for transit on the Southern section of the river at all times

	The exclusion zone will be around a pontoon, moving progressively downstream within the area and marked by exclusion Zone buoys with 1-2nm solar flashing lights, floating buoy lines and a lit special mark on the pontoon itself.	

Times and dates are subject to change. Changes to times, durations or days will be advertised on Parks Victoria's website and Notice to River Users.

This notice has effect from 7:00am on Tuesday 27 October 2026 to 6:00pm on Tuesday 15 December 2026.
