Works

Yarra River

Date	Time	Details	River Status	Restriction to navigation
24 November 2025 – 18 December 2026	All hours	North Wharf seawall and wharf construction works	Partially closed	Yarra River – Exclusion zone in place along northern bank of river channel. Stay clear of works area. See appended gazette notice
13 August – 30 November 2026	07:00 – 16:30	Bolte Bridge temporary pontoon construction – City of Melbourne	Partially Closed	Yarra River – Southern bank of Yarra River, extending up to 50m into the river and running 150m upstream from the Western dripline of the Bolte Bridge. Gazette notice below
20 August 2026 – 30 June 2028	07:00 – 17:00	Eastern Freeway SUP Bridge development.	Partially closed	Yarra River (<i>waters above Dights Falls</i>) – Partial closure of the river beginning at the prolongation of Fairlea Rd, Fairfield. Approximately 20m in the centre of the river channel available for transit at all times. Gazette notice below
27 August 2026	06:00-17:00	Heyington Bridge inspection works	Open	Yarra River – No restriction. Inspection to be done by drone.

Victoria Harbour

Date	Time	Details	River Status	Restriction to navigation
13 January 2026 – 15 December 2026	All hours	North Wharf seawall construction works	Partially closed	Victoria Harbour, Yarra River – Exclusion zone in place on southern side of harbour. No impact on river channel.

Maribyrnong River

Date	Time	Details	River Status	Restriction to navigation
07 October 2026 – 15 February 2027	06:30 – 17:00	Afton Street Pedestrian Bridge – Stay Cable Replacement	Partially Closed	Maribyrnong River – 2 stage exclusion zone. Minimum 32m river width available for transit at all times. Vessels must reduce speed to minimise wash when navigating past works.

Please note:

- Shallow Waters - The footprint of the former Central Pier in Victoria Harbour remains closed to all vessels due to shallow water. The area will remain marked by Exclusion Zone buoyage until further notice.
 - Footscray Park Floating Landing is closed to berthing and pedestrian access due to flood damage.
 - Shallow Waters - Herring Island meander has sediment build up creating shallow waters around the island, please proceed with caution or avoid entering if unfamiliar with area.
 - Shallow waters – The central river channel immediately downstream of Charles Grimes Bridge, in the vicinity of Yarra's Edge Marina, has reduced water depth as a result of sediment build up. Minimum depth at low tide may be less than 1.5m. Large vessels should navigate the area with caution and stay to the southern side of the channel where possible.
 - Banana Alley timber wharf is closed to all berthing due to deterioration in the structure
 - Leonda Landing is permanently closed. A temporary floating pontoon is in place for small (<12m) commercial vessel access only.
-

*All closed river events will be conditional upon publishing of an Activity Exclusion Zone Notice in the Government Gazette in accordance with section 208(2) of the *Marine Safety Act 2010*. For the purposes of planning and/or operations, river users may assume the river is closed unless otherwise notified, in writing, by Parks Victoria.

Event operates under a Flag System. A flag marshal will be positioned at the starting and finishing points of the course to indicate when vessels can proceed through. See Flag System Procedure at bottom of document.

** Event operates with a Parks Victoria managed transit lane in conjunction with an approved contractor.

All vessels in the area of activities are advised to travel with caution and to follow any directions given by Parks Victoria Officers. River traffic along these sections of river during event times may encounter delays due to congestion and are urged to maintain a courteous manner toward other river users.

For further information, contact Parks Victoria on **13 1963** or visit Parks Victoria website www.parks.vic.gov.au
