5 September 2023 – 29 May 2026	All hours	Central Pier demolition	Open	Victoria Harbour, Yarra River – Exclusion zones in place. See appended Gazette notice
18 November 2025 – 15 December 2026 NEW - AWAITING CONFIRMATION	All hours	North Wharf seawall construction works	Partially closed	Victoria Harbour, Yarra River – Exclusion zone in place on southern side of harbour. No impact on river channel. Gazette notice forthcoming

Maribyrnong River

Date	Time	Details	River Status	Restriction to navigation
N/A				

Please note:

- Anglers Tavern Jetty is now open to the public
 - Footscray Park Floating Landing is closed to berthing and pedestrian access due to flood damage.
 - Shallow Waters - Herring Island Meander has sediment build up creating shallow waters around the Island, please proceed with caution or avoid entering if unfamiliar with area.
 - Shallow waters – The central river channel immediately downstream of Charles Grimes Bridge, in the vicinity of Yarra's Edge Marina, has reduced water depth as a result of sediment build up. Minimum depth at low tide may be less than 1.5m. Large vessels should navigate the area with caution and stay to the southern side of the channel where possible.
 - There is crowd load and berthing restrictions currently in place at Leonda Landing, with 10 person crowd load limit and no berthing on the upstream 10m span of the landing.
 - Banana Alley Timber Wharf is closed to all berthing due to deterioration in the structure.
 - Birrarung Marr Floating Landing is temporarily closed due to the Greenline Boardwalk works. Due to reopen December 2025.
-

*All closed river events will be conditional upon publishing of an Activity Exclusion Zone Notice in the Government Gazette in accordance with section 208(2) of the *Marine Safety Act 2010*. For the purposes of planning and/or operations, river users may assume the river is closed unless otherwise notified, in writing, by Parks Victoria.

Event operates under a Flag System. A flag marshal will be positioned at the starting and finishing points of the course to indicate when vessels can proceed through.

** Event operates with a Parks Victoria managed transit lane in conjunction with an approved contractor.

See *Notice to River Users*

All vessels in the area of activities are advised to travel with caution and to follow any directions given by Parks Victoria Officers. River traffic along these sections of river during event times may encounter delays due to congestion and are urged to maintain a courteous manner toward other river users.

For further information, contact Parks Victoria on **13 1963** or visit Parks Victoria website www.parks.vic.gov.au

Marine Safety Act 2010
Section 211(1)(b)
NOTICE CONTROLLING NAVIGATION IN THE VICINITY OF WORKS

Parks Victoria, as the declared waterway manager for the waters of the Yarra River upstream of the port waters of the Port of Melbourne makes the following notice under section 211(1)(b)(i) of the *Marine Safety Act 2010 (Vic)*.

For the purposes of the works activity proposed by Stokes Rosseau Pty Ltd on behalf of the City of Melbourne to undertake Stage 3 renewal works of the Princes Bridge on the Yarra River, the navigation and movement of vessels is prohibited from the waters detailed in Table 1 below, excluding vessels involved in the works.

Table 1: Princes Bridge Stage 3 Renewal Works

<u>Date</u>	<u>Prohibited Waters</u>	<u>Works</u>	<u>Open for transit</u>
Monday 7 July 2025 to Friday 12 December 2025	Northern Arch of Princes Bridge closed. Waters of the Yarra River extending approx. 10m upstream and 20m downstream of Princes Bridge, beginning at the northern bank and extending up to 8m into the Centre bridge arch, as marked by lit exclusion zone buoys and unlit stringline buoys.	Bluestone replacement & repair, repointing and painting of the Northern span of Princes bridge	Southern arch – open. Vessels transiting upstream only. Centre arch – partially open, 21m available for transit <u>Change to navigation</u> All vessels are to adhere to the temporary river navigation arrangements as signed, should commercial vessels on occasion be required to use a different arch due to reduced manoeuvrability they must give way to all vessels and initiate appropriate warning sounds
<u>Date</u>	<u>Prohibited waters with reduced clearance</u>	<u>Works</u>	<u>Open for transit</u>
Friday 12 December 2025 to Wednesday 15 April 2026	Northern arch of Princes bridge to have reduced width and reduced height. Centre arch of Princes Bridge to have reduced width of 21m. Waters of the Yarra River extending from the northern bridge pier approx. 5m into the northern arch and 8m into centre arch, extending 10m upstream and downstream, as marked by lit exclusion zone	Bluestone replacement & repair, repointing and painting of the bridge.	Southern arch – open. Vessels transiting upstream only. Northern arch – partially open, approx. 12m available for transit with reduced height. Centre arch – partially open, 21m available for transit <u>Change to navigation</u> Large commercial vessels should avoid using northern arch during this period.

	buoys and unlit stringline buoys.		Vessels with air draft exceeding 3.5m should avoid using the northern arch during periods of high river level.
<u>Date</u>	<u>Prohibited Waters</u>	<u>Works</u>	<u>Open for transit</u>
Wednesday 15 April 2026 to Tuesday 5 May 2026	Northern Arch of Princes Bridge closed. Waters of the Yarra River extending approx. 10m upstream and 20m downstream of Princes Bridge, beginning at the northern bank and extending up to 8m into the Centre bridge arch, as marked by lit exclusion zone buoys and unlit stringline buoys.	Bluestone replacement & repair, repointing and painting of the Northern span of Princes bridge	Southern arch – open. Vessels transiting upstream only. Centre arch – partially open, 21m available for transit <u>Change to navigation</u> All vessels are to adhere to the temporary river navigation arrangements as signed. Should commercial vessels on occasion be required to use a different arch due to reduced manoeuvrability or tidal restrictions they must give way to all vessels and initiate appropriate warning sounds
