

The Pines Camping Area

Improvement works

We're removing the old picnic shelter at The Pines Camping Area as part of planned upgrades. The shelter has reached the end of its life and is no longer safe to use.

Date of works: 15 - 17 December 2025

Access around the shelter will be temporarily closed during this time.

Thank you for your patience while we make the campground safer and more enjoyable for everyone.

For more information email megan.genat@parks.vic.gov.au or call 13 1963.
