

Parks Victoria August 2022 Board Meeting Report

The Parks Victoria Board met on Tuesday 30 August 2022 to review and discuss a range of priority issues and opportunities, with meeting highlights outlined below.

People Matter 2022 Survey Results

The Board held an in-depth discussion on the key survey findings and proposed areas for improvement.

Disability Action Plan 2022-26

The Board endorsed Parks Victoria's Disability Action Plan 2022-26 that will deliver priorities focusing on the role of parks and tourism in enabling disability access.

Parks Victoria Annual Report 2021-22 and National Parks Act Annual Report 2021-22

The content and design of both draft reports to be tabled in Parliament were approved by the Board.

Major Capital Projects and Programs

Progress on major capital projects and programs delivery was discussed and noted by the Board, in particular the strong 2021-22 year-end result.

Storm Recovery Finding

Scope and expenditure approved by the Board for recovery projects in response to the 2021 October Storms and 2022 April Storms.

Annual Financial Management Compliance outcomes

The Board approved Parks Victoria's annual Financial Management Compliance Report for 2021-22 that cited a favourable result of no material compliance deficiencies.
