

Parks Victoria

Board Meeting Report

28 May 2024

Environmental Sustainability Plan	The Board approved the pragmatic one-year plan presented, that brings Parks Victoria's activities into line with its established greenhouse gas reduction plan.
2024-2028 Corporate Plan	The Board approved Parks Victoria's four-year corporate plan, setting the organisation's strategic pathway in line with the <i>Land Management Strategy (2022)</i> working towards achievement of eight defined strategic outcomes.
2024-25 Local Ports Program	The Board approved the Local Ports Program for 2024-25 and determined focus and next steps in building advocacy on collective opportunities across the Environment and Ports portfolios.
Strategic Discussion: Cultural Heritage Management Standards Review	Assurance provided on 100% compliance across Parks Victoria's established policy and process and key focus on Traditional Owner relationships and future advocacy opportunities mapped.
Strategic Discussion: Strategic Directions for Greater Melbourne	The Board discussed Parks Victoria's leadership in greater metropolitan planning and the essential inclusion of social justice, environment and Traditional Owner advocacy across all stakeholder management and liaison.
