

	Significant trees which require extra protection will be determined by Werribee Park on an event by event basis.		"Hard Surface" preferred area for site compound, and toilets.		Werribee Park entrance gate. General access to park patrons beyond this point.
	Event organiser is responsible for the cost of barricading the perimeter of the Swamp White Oak (as indicated on the map), using a method which will prohibit entry by patrons.		Bump in/out route via Gate 4 off K Road
