

FIRE PREPAREDNESS

WORKS NOTIFICATION

Selective vegetation mulching and hazardous tree removal will take place in Bunyip State Park, Tonimbuk, to reduce bushfire risk.

Date: Early October 2021

Duration: Approximately 2 weeks (weekdays only).

Location: Southern boundary of the park, near Tinkham Road, Tonimbuk (see map).

Impact: No park visitor access or tracks are impacted by these works.

Environmental and cultural heritage assessments have been undertaken to ensure important areas are protected.

Why: This work will create a new 20m fuel break between private properties and Bunyip State Park, supporting the delivery of planned burning activities and bushfire response.

This area is within a Bushfire Moderation Zone (BMZ) . This area is managed using planned burning and mechanical means to reduce bushfire risk to the surrounding communities. Visit www.ffm.vic.gov.au/jfmp or call the VicEmergency Hotline on 1800 226 226 to find out more about the fuel management program.

For more information about this work call Parks Victoria on 13 1963.

— The yellow line shows the location of the fuel break works.

The scheduling and duration of work can sometimes change depending on conditions.
