Dear Ms [REDACTED]

MOUNT MACEDON MEMORIAL CROSS VIEW LINES PROJECT – CLAUSE 52.30 STATE PROJECTS

I refer to Parks Victoria's request of 26 May 2025, for the Mount Macedon Memorial Cross View Lines Project to be considered a state project and for consultation and other pre-commencement requirements to be discharged in accordance with Clause 52.30 of the Macedon Ranges Planning Scheme.

I have decided that the project meets the criteria for a state project under Clause 52.30-2 (State project decision) and that the consultation requirements at Clause 52.30-5 (Consultation requirements) have been satisfied. I have endorsed the submitted documents under Clause 52.30-6 (Other pre-commencement requirements). Copies of the approved documents are enclosed for your records.

Please note that a site environmental management plan must be submitted and approved before works commence.

If you would like more information about this matter, please contact Adam Henson, Acting Executive Director, State Planning Assessment and Facilitation, Department of Transport and Planning, at adam.henson@transport.vic.gov.au.

Yours sincerely
