National Parks Regulations 2024

Set Aside(s) for Greater Bendigo National Park

The *National Parks Regulations 2024* have been made under Sections 32AA, 37 and 48 of the *National Parks Act 1975*.

Regulation 11 provides that Parks Victoria may make a determination in writing that sets aside a regulation. In doing so, Parks Victoria may specify that set aside applies to the whole or a specified area of a park; and specified days or times or for specified periods; and to a person or class of person. In addition, Parks Victoria may set out any conditions subject to which the activity or conduct specified in the set aside determination must or must not be carried out; and specify if a permit is required to undertake the activity or conduct that is permitted, required, restricted or prohibited.

Where the area(s) covered by this Set Aside Determination coincide with the area(s) covered by any other current Set Aside Determination, for the purpose of closure of an area, this Set Aside Determination replaces other Set Aside Determinations and is in force until such time as this Set Aside Determination is amended or revoked.
