The *National Parks Regulations 2024* have been made under Sections 32AA, 37 and 48 of the *National Parks Act 1975*.

Regulation 11 provides that Parks Victoria may make a determination in writing that sets aside a regulation. In addition, Parks Victoria may set out any conditions subject to which the activity or conduct specified in the set aside determination must or must not be carried out; and specify if a permit is required to undertake the activity or conduct that is permitted, required, restricted or prohibited.
