

Tips for camping in nature

Information in Easy English and Hindi हिन्दी

This park is part of an
Aboriginal cultural landscape.
Parks Victoria respects the deep
and continuing connection
that Traditional Owners have
to these lands and waters,
and we recognise their ongoing
role in caring for Country.

Put out your campfire completely with water अपनी कैम्पफ़ायर को पानी से पूरी तरह से बुझा दे।

Why? 10% of bushfires are caused by campfires

- Only light campfires in fireplaces provided by Parks Victoria.
- Use water to put out your campfire, not soil. If the ashes are cold, then it is safe to leave.
- At least one person must stay by the campfire at all times.
- Total Fire Ban = NO fires.

Do not wash your dishes in waterways

(Rivers, streams, lakes, etc.)

जलमार्गों (नदियों, झरनों, झीलों, आदि) में
अपने बर्तन न धोएं।

**Why? Soaps can harm plants and animals
that also use the water**

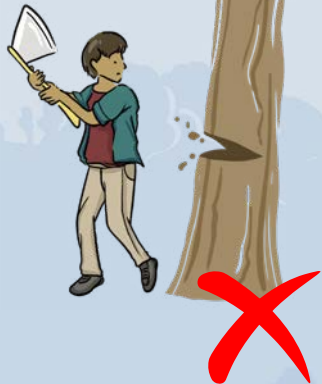

- Do not use soaps in or near waterways.
- Collect water with a bucket to wash dishes.
- Throw away dirty water at least 20m from waterways.

**Do not collect wood for
campfires in the park**
पार्क में कैम्पफायर जलाने के लिए
लकड़ी एकत्र न करें।

Why? Many animals live in logs and trees

- Do not cut down trees.
- Do not pick up logs or branches on the ground for campfires.
- Bring firewood from home
OR buy firewood from a nearby town.

Use toilets that are available in the park पार्क में उपलब्ध शौचालयों का उपयोग करें।

Why? Human waste can harm plants
and animals that also use the water

- If there is no toilet, dig a hole away from waterways (at least 100 metres).
- After use, refill the hole with soil.
