

Ranger-led excursions

Parks Victoria invites schools to get into nature by taking part in an exciting new excursion offering

Who - Grade 3 - 6 (maximum 60 students)

What - 2 hour excursion package comprising of:

- Birds are environmental experts (ranger led)
- Coolart discovery (teacher led) (material available)

When - Delivery periods: October and November 2023

Where - Coolart Wetlands and Homestead. Located on Lord Somers Rd, Somers

Why -

- Discover what birds can teach us about the environment
- Have lots of fun discovering Coolart Wetlands and Homestead
- Support Geography and Science curriculum in natures classroom e.g. Living things depend on the environment to survive 3/4 (VCSSU058) & 5/6 (VCSSU075)
- Collect your valued feedback to shape future programs
