

Parks Victoria Change of Vessel Application

FORM NO. PVB03

Submit to moorings@parks.vic.gov.au or to your local Parks Victoria Office

Permit Holders should consult with an Authorised Mooring Contractor prior to acquiring the new vessel to ensure that it is suitable for the site. Vessels with lengths exceeding 15m are not permitted on swing moorings. Some mooring grounds and sites may have further restrictions - please make sure to discuss with your Authorised Mooring Contractor prior to submitting this form. Parks Victoria will process this application within 28 days of receipt and, if approved, will issue an amended permit. Conditional approval may be granted where Parks Victoria requires the mooring tackle to be inspected by an Authorised Mooring Contractor and to provide a Mooring Report and Mooring Condition Report. The proposed vessel cannot occupy the site until an amended permit has been issued.
