

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 04 January 2021
Australia – Victoria

No. 002 – 2021

Local Port of Port Phillip

Mordialloc
Entrance of Mordialloc Creek – Reduced Depth

Date: **Immediate**

Previous Notice: **373-20 is referred and cancelled**

Details: Mariners are advised of a reduced depth at the entrance to Mordialloc Creek at approximate location 38°00.665'S, 144°05.070'E (WGS84). Scheduled maintenance dredging works have been delayed by unsuitable weather and have not yet been undertaken.

Apologies for any inconvenience caused by the previous miscommunication in Notice 373-20, depth will be restored as soon as practicable.

The most recent hydrographic survey showing the reduced depth is attached below.

Mariners are advised to navigate with caution within the vicinity of Mordialloc Creek.

MORDIALLOC CREEK -- MONITORING SURVEY 29 December 2020

Parks Victoria does not warrant that that the information provided is accurate and up to date.

All boat operators are advised to navigate with caution, as conditions can change quickly, sand can accumulate across the entrance and cause shallowing through the channel. The information provided is intended as a guide only and does not replace the judgement of the operator of the vessel. Boat operators are advised to check weather and tidal conditions prior to accessing the entrance. Depth shown is to Chart Datum.
