

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

Melbourne, 14 January 2022
Australia – Victoria

No. 020(T) – 2022

Local Port of Port Phillip

Black Rock
Black Rock Jetty – Submerged Navigational Hazards

Date: **Immediate**

Previous Notice: 218-21 is referred, 278-21 is referred

Details: Mariners are advised of submerged hazards in the vicinity of Black Rock Jetty Head, and to navigate in the channel well clear of the Starboard Lateral Mark Buoy in the vicinity of the black rock jetty head, at approximate location (WGS84): 37°58.097'S, 145°00.584'E.

Shallow water and submerged rocks are present in the area to the North of Black Rock Jetty.

Mariners are advised to navigate with caution within the vicinity of Black Rock Jetty and Half Moon Bay and transit through the channel marked with Port and Starboard lateral mark piles when navigating the area.

Charts & Publications
