

Victorian Notice to Mariners

The following Notice to Mariners is published for general information.

26 October 2026
Victoria - Australia

No. 485(T) – 2026

Local Port of Western Port

San Remo
San Remo Bridge – Major Works – Updated Information

Date: **Monday 26 October 2026 until further notice**

Previous Notice: 480(T)-2026 is referred and cancelled

Details: Mariners are advised of works occurring beneath the San Remo Bridge, at approximate location: 38°31.167'S, 145°21.950'E (WGS84). The works will be undertaken by SRG Global via a scaffold system and pontoons secured from the bridge structure.

The works will now affect spans on both the San Remo and Newhaven sides of the bridge as shown in figure 1 below. The works on both sides will begin on the shoreward ends of the bridge and advance towards the middle of the bridge as works progress.

In this stage of works, the middle three spans of the bridge will remain unaffected.

Lit yellow Special Mark buoys with characteristics Fl4Y.10s will delineate no wash zones around the works area.

Lit yellow Special Mark buoys with characteristics Fl4Y.15s will delineate exclusion zones around the works area

The works will continue in several stages, and the spans available for navigation beneath the bridge will change as the works progress. At least one of the centre three spans will remain open throughout the works as noted by traffic management signed on the bridge itself.

The details of updated exclusion zones, the spans open for navigation and the air draft available will be communicated by further notice and available in further information below.

Mariners are advised to navigate with caution in the vicinity of San Remo Bridge and proceed with no wash in the vicinity of the works.

Relevant Law: An exclusion zone established under the *Marine Safety Act 2010* will be in force around the works area. The works area is any span outside of the middle three bridge spans. The exclusion zone has been established under the *Marine Safety Act 2010*. All vessels are prohibited from entering the exclusion zone, excluding vessels involved directly in the works and Parks Victoria vessels.

Charts & Publications Affected: AUS801, AU5TNW01, AU439145.

Further Notice: A further Notice will be issued.

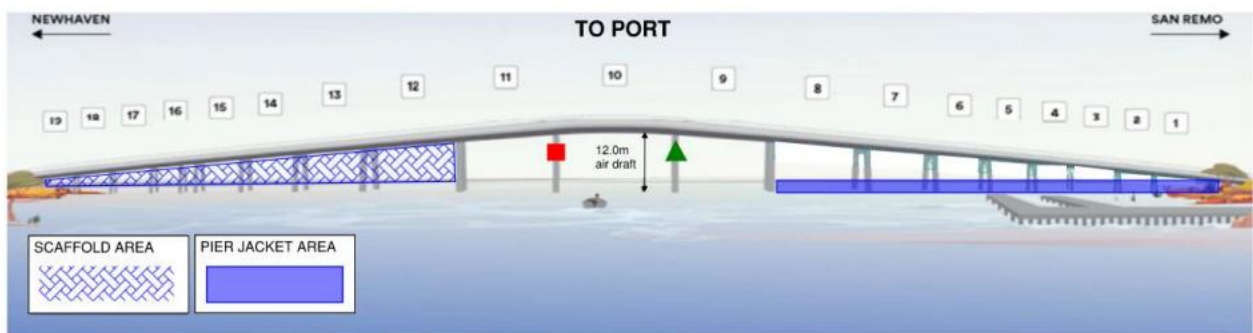

If you require any further information, please contact the project control office on 1800 105 105, email contact@bigbuild.vic.gov.au, or visit <https://transport.vic.gov.au/news-and-resources/projects/san-remo-bridge-rehabilitation-project#h2-fzqbt>.
