**Port Management Act 1995**

Set-aside determination – Regulation 10

Local Port of Port Phillip

The Port Management (Local Ports) Regulations 2015 provide that the Port Manager of a local port may make a determination setting aside an area under Regulation 10 to prohibit access to an area.

Parks Victoria, as Port Manager for the Local Port of Port Phillip, has made a determination to prohibit public access to waters surrounding Rye Pier Head and Low Landing to maintain public safety and facilitate works.

Two Set Aside areas (zones) will extend approximately 30 metres around the pier head and low landing, as defined by on site signage and/or Notice to Mariners. Zones 1 and 2 are in effect when on site signage or Notice to Mariners stipulates that the zone is active. This Determination is in effect from 23:59 hrs, Sunday 28 January 2024, and ceasing at 23:59 hrs on Sunday 30 June 2024. Changes to times or dates will be advertised by Notice to Mariners and published on the Parks Victoria website.
